It's Our Democracy!

Did you know that you can register to vote when you apply for benefits? It's quick and easy!

**When you ask for a benefits application,
just say you also want an application to register to vote.**

You can take care of both at the same time.

We won't have another Presidential Election until 2020, but this November's election will determine if Donald Trump can continue to do whatever he wants with another Republican Congress or if Democrats will have the power to hold him accountable.

That makes 2018 incredibly important, and the only way to have a say in which way our country goes in the next few years is to vote.

So please, take control of your country and make your voice heard.

Register to vote today!
